Hello Jonathan,

Thank you for contacting ABC Legal Support.

Please note that our systems generates a proof of service based upon our known court requirements once service is complete. This automation cannot be turned off or a substitute document automatically provided.

While we cannot turn off this automation, we are more than happy to complete an additional proof form as well if required by the court.

Please reach out and provide the rejection notice in the unlikely event our proof is rejected by the court. We will complete the additional documentation at that time.

If we can be of any further assistance please let us know.

Regards
Carlos M
